My Chemical Romance, Famous Last Words

Now I know That I can't make you stay But where's your heart? But where's your heart? But where's your...

And I know There's nothing I could say To change that part To change that part To change...

So many Bright lights, they cast a shadow But can I speak? Well is it hard understanding I'm incomplete A life that's so demanding I get so weak A love that's so demanding I can't speak

I am not afraid to keep on living I am not afraid to walk this world alone Honey if you stay, I'll be forgiven Nothing you can say can stop me going home

Can you see My eyes are shining bright Cause I'm out here On the other side Of a jet black hotel mirror And I'm so weak Is it hard understanding I'm incomplete A love that's so demanding I get weak

I am not afraid to keep on living I am not afraid to walk this world alone Honey if you stay, I'll be forgiven Nothing you can say can stop me going home

I am not afraid to keep on living I am not afraid to walk this world alone Honey if you stay, I'll be forgiven Nothing you can say can stop me going home

These bright lights have always blinded me These bright lights have always blinded me I say

I see you lying next to me With words I thought I'd never speak Awake and unafraid Asleep or dead

(How can I see, I see you lying) 'Cause I see you lying next to me (How can I see, I see you lying) With words I thought I'd never speak (How can I see, I see you lying) Awake and unafraid (How can I see, I see you lying) Asleep or dead

'Cause I see you lying next to me With words I thought I'd never speak Awake and unafraid Asleep or dead
