

# My Chemical Romance, Give 'Em Hell, Kid (Live)

----

Oh baby here comes the sound  
I took a train outta New Orleans  
And they shot me full of ephedrine  
This is how we like to do it in the murder scene  
Can we settle up the score?

If you were here  
I'd never have a fear  
So go on live your life  
But I miss you more than I did yesterday  
You're beautiful

Well I'm a total wreck and almost every day  
Like the firing squad or the mess you made  
Well don't I look pretty walking down the street  
In the best damn dress I own?

If you were here  
I'd never have a fear  
So go on live your life  
But I miss you more than I did yesterday  
You're so far away  
So c'mon show me how  
'Cause I mean this more than words could ever

Some might say we are made from the sharpest things you say  
We all go and we don't care  
Your dreams and your hopeless hair  
We never wanted it to be this way  
For all our lives  
And let me ask you something  
Do you care at all?

If you were here  
I'd never have a fear  
So go on live your life  
But I miss you more than I did yesterday  
You're so far away  
So c'mon show me how  
'Cause I mean this more than words could ever say

Just 'cause you're bigger than me  
Just 'cause you're smarter than me  
Just 'cause you drive a better car than me  
That does not mean  
No way and no how  
That I'm sucking you off  
For any amount of money
