My Dying Bride, Grace Unhearing (Portishell Ren

Falling, drowning, deeper and forever Choking, sinking, deeper into this ocean Screaming, crying for someone to save me Reaching, hoping, calling to no-one

My only sin

My Offig Siff

Was to kill a man Deep was my pain

But I'd do the same again

Beat it out, out of me, cut me up and watch me bleed

Strike me down, cast me out

throw me into the ocean's mouth

My only prayer

Was to a God

Who I don't believe

But all the same, I'm on my knees

Beat it out, out of me, cut me up and watch me bleed

Strike me down, cast me out

Throw me into the Devil's mouth

Bleeding, weeping, calling to no-one

Pleading, alimghty, why can't you hear me

My only sin

Was to kill a man

Deep was my pain

But I'd do the sam again

Beat it out, out of me, cut me up and watch me bleed

Strike me down, cast me out

Throw me into my own mouth

Take me away

To a better place

Far from anyone

By myself and leave a gun

Beat it out, out of me, cut me up and watch me bleed

Strike me down, cast me out

Throw me into my Saviour's mouth
