

My Life With The Thrill Kill Kult, Blue Buddha

(s) "I created your body, just as I created your mind..."
Who's behind closed doors?
A mini-flower child.
Who's behind closed doors?
Playboyz & Playgirlz..
Who's behind closed doors?
Blue Buddha.
Waiting to be taken as plain as the light of day.
Come seeds (You've tried the rest),
Of sufferin' (Come back to the Best),
Searchin', believin' in Ultra-Flesh.
Pleasure seeker,
Come sieze the suffering,
Searchin', believin' in Ultra-Flesh..
Decieve me, in bed with Villains,
If Ultra-Flesh is whatchya want,
Then Ultra-Flesh is what we've got
Ultra-Flesh.
(s) "Won't you please me?"
