

My Life With The Thrill Kill Kult, Dream Baby

this is like a dream
this is like a dream baby
too many sleepless nights staring into
nowhere
too many silent cries trap me in this
nightmare
i close my eyes and try to find
someone to talk to
and there you are
i see your face
i put my arms around you
be my dream baby
come on
dream on
come on
come on
this is like a dream
this is like a dream baby
too many passive dreams taking us to
nowhere
too many voices tell us this is not a
love affair
i close my eyes and try to find
someone to talk to
and there you are
i see your face
i put my arms around you
be my dream baby
come on
dream on
come on
come on
too many sleepless nights staring into
nowhere
too many voices tell us this is not a
love affair
too many passive draems taking us to
nowhere
too many silent cries trap me in this
nightmare
and there you are
i see your face
i try
i try to find someone to talk to
i try
i try to find someone
to find someone
be my dream baby
