

# My Ruin, Fever

I  
I think I'll cut myself  
Cut myself free

Now I'm somewhere else  
I need to be  
Wasted with no sleep  
Forgot to pray  
Jesus can you hear me?  
Nails keep pounding

You push your fingers into holes  
Of what my questions left  
And as I drown your mouth in red  
You fear what I will ask next  
I violate your faith  
And wonder what you really taste like  
Feel the sensation of depth  
I lied...

CAN'T HELP ME NOW  
IT'S UNDER MY SKIN  
NOWHERE TO GO  
BUT I WON'T GIVE IN  
CAN'T HELP ME NOW  
I'M BLEEDING WITHIN  
NOWHERE TO GO  
I'LL NEVER LET YOU IN

(I have a fear of dying)

I could  
I could worship you  
Make you behave  
I'd tell  
Tell you anything  
Just to be saved

Baby... how's your faith these days  
Do you feel safe?

Kiss me  
Sunlight makes us sick  
As nails keep pounding

You wrap your legs around my mind  
Ten times and hide in me  
The darker that it gets outside  
Your heats a 1000 degrees  
I'll make you swallow spit  
You're sick with it  
You're sick from me  
Don't say I didn't warn you  
I tried...

CAN'T HELP ME NOW  
IT'S UNDER MY SKIN  
NOWHERE TO GO  
BUT I WON'T GIVE IN  
CAN'T HELP ME NOW  
I'M BLEEDING WITHIN  
NOWHERE TO GO  
I'LL NEVER GIVE IN

What god created me? (your god)  
What god created us? (your god)  
What god created this... thing called lust?  
Your god created me? (what god?)  
Your god created us? (what god?)  
Your god created...

FUCK YOUR GOD  
CAN'T HELP ME NOW  
IT'S UNDER MY SKIN  
NOWHERE TO GO  
BUT I WON'T GIVE IN  
CAN'T HELP ME NOW  
I'M BLEEDING WITHIN  
NOWHERE TO GO  
I'LL NEVER GIVE IN

I won't let you in  
Won't let you in (let me in)  
Won't let you in (let me in)  
God won't let you...
