

# My Ruin, Weightless

talk to me,  
tell me i'm not skinny  
but you think...i'm so pretty  
"rockstars have to be thin i'm afraid"  
you wanna know...how much do i weigh?  
what!?

weightless  
you can't market me!  
faceless  
so blind you can't see!

showcasing  
we played for your ego  
that follows me  
wherever we go!  
fuck!

weightless  
you can't market me!  
faceless  
so blind you can't see!

what's my size?  
what's my shape?  
look at me  
i am raped!  
not anorexic  
or heroine chic  
i'm no waif model  
coz i fucking eat!

insincerity  
insecurity  
no integrity  
there's no purity

i will not apologise for scaring you.  
you are everything wrong with america!
