

# Mya, Between Me And You

Uh...uh, uh, uh

Chorus:

Every little thing that we do  
Should be between me and you  
The freaky things that we do  
Let's keep between me and you baby

Every little thing that we do  
Should be between me and you  
The freaky things that we do  
Let's keep between me and you baby

Yo...

when I first met her  
All i thought was...thong, thong, thong  
Like loser lang we can get our freakin on  
Baby you know the game slipped away  
Slide me your number  
It's the last day of spring, see ya first day this summer  
I'm a bad motha...shut yo mouth  
Pull the drop out  
Creep at a low speed  
Cuz honey probably know me  
I push the peddle  
Thought to yours to let em  
Way up in the air like i think he's here  
Cuz see, every time that i'm alone with you  
Homey be checkin' up on you  
But if that nigga only knew  
You've got a lot of freak in you, baby  
When that startin' to rain  
I pop the roof and the champagne  
How j said? "money ain't a thing"  
It's been close to few  
Something even impossible  
But, it's been between me and you, baby

Chorus:

Girl it's on again  
Every year..we hummer 'em in  
Beaches, houses, hoes, foes, friends  
And when the..day ends  
That's when it all begins  
You wit him..here's my room key (holla at me)  
Why ya thinka thinka i'm gon' hit it up  
Then look at the nigga ya thinkin' ya love (c'mon love)  
We could go there, me and you  
we could talk all night a night  
If ya love it  
In the mornin', awake with new light  
If i lookin' like i ain't gonna handle his  
Let me handle my biz  
It is what it is  
Nigga livin' his life  
And that's my bitch  
Ya know i gotta wife  
Let's keep this thing tight, baby

Chorus:

Dont' let the word get out (shhh), baby  
This is..strictly between me and you, baby  
If they..new we were doing what we were doing  
It'd probably ruin our pre-rent way summer in cancoon-an and I  
Love the way we get away  
Throw away a whole day  
Turn off the pagers and phones, we in the zone like  
Fuck life, we live life, this is our life, live your life  
See, every time that i'm alone with you  
Shorty be checkin' up on you  
But if baby girl only knew  
You've got a lot of freak in you, baby  
Did i ever tell you, my man love what you do  
That little thing with your tongue  
You the best, who knew?  
It's been close to few..at times even impossible  
But..it's been between me and you, baby

Chorus:
