

Mya, If You Were Mine

if you were mine i'd treat you right
i would be there for you always take care of you (mmm-mm)
i'd give you the world if i was your girl (girl)
baby i swear i'll always be there
(will you be mine?)

my dad said you can play me for my heart (yeah)
cuz i never thought that i would fall so far
but ever since the first time you caught my eye
(what i'd give be your wife) oh no
(your on my mind) your on my mind
in a matter of time you'll be mine
you'll be mine

chorus

if you were mine	(mine)
i'd treat you right	(i would treat you right)

if i was your girl	(if i was your girl)
baby i swear	(i swear)
i'll always be there	(be there givin you love givin you love)

if i could close my eyes and make a wish (uh huh)
if the only thing worth asking for is just one kiss
cuz i thought about it the since the day you walked in my life
there's no way to deny (there's no way) how i'm feeling inside (how i'm
feelin)
cuz in a matter of time you'll be mine
you'll be mine

if i was your girl	(if i was your girl)
baby i swear	(ooh i swear i'll be givin you
love givin you love)	
will you be mine	

i told myself a thousand times (its destiny for you and me)
cuz when i close my eyes your face is all i see (gotta believe)
i just can't help myself i want you and baby noone else (no one else)
in a matter of time you'll be mine, i'd give the world if you were mine
