

Mya, Movin' On

(Silkk da Shocker)

Yo Mya

I know you got a man and all
but uhh I been watchin yall
And if he ain't treatin you right
'bout time you move on
Now I'm not trying to get in between yall two,
but you gonna move, move this way

(Mya - Verse 1)

I'm so confused

I don't know what to do (gonna be aiight, gonna be aiight)

But I gotta be a woman

I gotta get over you (yeah aiight, yeah aiight)

I think I saw your baby's mother
Creeping at your back door (Yeah-ee Yeah-ee)
And your lying ass been cheatin
And I can't take it no more oh oh
I'm movin on (move on)

Chorus:

On

(movin on)(and move my way)

On

(movin on-on) (move on)

Oh-on

I'll be movin on (and move my way, say what say what)

(2x's)

(Mya - Verse 2)

Whose drawers are these

You know I wear a size four (huh what, say what)

And if you say that you've been faithful

Who was at your back door

You aint got no money (it don't matter about all that, I got some)
I should've left you long ago (Yea-ee Yea-ee Yea-ee)
And you stroke ain't strokin no more
So I've been sleepin all alone
(she shouldn't have to sleep by herself you know what I sayin)
If you know what I mean
I'm movin on (move on)

Chorus (2x's)

(Silkk)

Well now I'm a No Limit Soldier

Known to keep it rowdy

You know one's that make you say uhh

And Bout It, Bout It

Now one to the two

Two to the three

I aint sayin leave him

But you need to like roll wit me

Cause I can see you aint happy here

When I look in your eye

You a bird

You gotta spread your wings

So now it's time to fly

You aint never gotta trip

Or remind me

I'm trying to live ghetto fab

Like takin baths

In bottles of Don P
But I aint perfect
Just imagine me with no flaws
Like a parking lot
Wit no cars
Cell block
Wit no bars
World wit no wars
L.A.wit no stars
Check this out
I can heal your broken heart
So don't be so fast
To react so quick
Or get all mad
And try to scratch up my 6
Now you know I get paid
For bustin all kind of tight verses
See I need a girl
That I can see on top
Like Silkk and Mya
Or vice versa

Chorus (w/o I'll be movin on)
