

# Myra, As If

As if I'm never gonna take you back,  
as if its ever gonna come to that,  
so see ya round,  
wave goodbye,  
be a bird,  
pass me by (me by)

You, you've got alot of nerve,  
i guess you haven't heard,  
i'm doin fine out here on my own

You, you think that you can come,  
right here for some fun,  
but boy you've got a lot to learn

Dont shake your head from side to side,  
sayin that you changed alot,  
and now you see the light,  
cuz you just say what u say,  
you want your way,  
and it's that game that u play,  
its a little late

As if, im never gonna take you back,  
As if, it's never gonna come to that,  
so see ya round (say goodbye),  
wave goodbye  
be a bird,  
pass me by

As if, im gonna let you break my heart (again)  
As if im gonna let your love back in my life, (in my life)  
not tonight,  
catch my drift,  
baby as if (as if)

You, seem to think that I,  
aint got no sense of pride,  
boy you got a weird perception of,  
what it is to love,  
and i am sure because,  
you got the look of desperation

Don't shake yur head from left to right,  
sayin that you will,  
cuz you wont,  
ever see the light,  
cuz you just say what u say,  
you want your way,  
and its that game that u play,  
its a little late

As if, im never gonna take you back,  
as if its never gonna come to that,  
so see ya round,  
wave goodbye (wave goodbye)  
be a bird,  
pass me by

As if, im gonna let you break my heart (again),  
as if im gonna let your love back in my life (in my life),  
not tonight,  
catch my drift,  
baby as if

I, i got places to go,  
with people you dont know,  
we're gonna dance oh nice and slow

Don't shake your head from left to right,  
sayin that you changed alot,  
and now your on my side,  
cuz you just want what u want,  
its a lucky charm,  
and its that game that u play,  
so i'm movin on

As if, im never gonna take you back,  
as if, its never gonna come to that,  
so say appeal (say appeal)  
disappear,  
maybe im not bein clear

As if, i'm gonna let you break my heart (again),  
as if im gonna let your love back in my life (in my life),  
not tonight,  
get a grip

As if, im gonna let you break my heart (again),  
as if im gonna let you drive,  
just be my friend,  
its the end,  
take the hint,  
baby as if!
