

Myra, Bye-Bye, My Love

(Bye-bye, my love, bye-bye, my love)

I know that my eyes could only see as far as you.
But you broke my heart and went away
I know that I can't say no to all the little things you do
But I'm fallin deeper every day

Fallin, without you I'm fallin
With the memories you took away from me

(Chorus)

Bye-bye, my love
I wish I didn't have to cry
I wish I could say goodbye
But I'm afraid I won't
Bye-bye, my love
I wish you;d come back to stay
I wishyou could find a way
But I'm afraid you won't
Bye-bye, my love

I know I would be a fool if I'd ask you to stay
But all I do is think of you
I know that you try to tell me that your love has gone away
But my love is strong enough for two

Fallin, without you I'm fallin
With the memories you took away from me

(Repeat Chorus)

I know that my eyes could only see as far as you
Oh

Fallin, without you I'm fallin
With the memories you took away from me
From me

(Bye-bye, my love; bye-bye, my love) 2x
I'm so afraid that I won't

(Bye-bye, my love; bye-bye, my love) 2x
I'm so afraid that I won't

(Repeat Chorus)
