

# N-DUBZ, Number 1

[DAPPY]

ah uh uh oh  
ah uh uh oh  
ah uh uh oh  
ah uh uh oh (na na naii)  
ah uh uh oh  
ah uh uh oh (Tinchy Stryder)  
ah uh uh oh (N dubz)  
ah uh uh oh (yo)

[TINCHY]

it was nothing but a quick think  
kids games, kiss chase, just a quick fling  
now im hoping you never go missing  
now im telling you, you can hold this ring, watch how it glistens  
it was done as quick as the wind blows  
didnt think i would ever be involved  
so i even wrote a song called dont go  
now its just you and me on a love row  
Dappy like dino us two tip toes duck dive get low  
and now i care less about who knows  
now were deep in way past intro dappy explain yo

[BRIDGE][DAPPY]

see never did i think a boy like me would be in need  
when all i really wanted was to have some fun  
now im losing my head, im telling you one thing  
youre number one

[CHORUS]

see i dont understand how youre number one  
when it was just a fling before now, youre the one  
see all i did was blink twice, from my homie to my only  
number one

ah uh uh oh  
ah uh uh oh  
ah uh uh oh  
ah uh uh oh

[TINCHY]

yo

it was all now never planned no after  
it was like games jokes laughter  
live for the moment, left it all open  
now im in deep, flames, lava, breathe, karma  
and now im stating, see i never saw this in my daydream  
its really you that im fully rating  
and the days here no more waiting  
pay it all wise to the smart man raised him  
i was so hurt, pain, aching  
on the wrong path then a good girl saved him  
thats why im letting her know shes amazing

[BRIDGE][DAPPY]

see never did i think a boy like me would be in need  
when all i really wanted was to have some fun  
now im losing my head, im telling you one thing  
youre number one

[CHORUS]

see i dont understand how youre number one  
when it was just a fling before now, youre the one  
see all i did was blink twice from my homie to my only  
number one

you lift me off the ground  
i always want you around  
i aint gunna let nothing get in the way  
ill never let nothing get in the way  
you lift me off the ground  
i always want you around

i aint gunna let nothing get in the way  
ill never let nothing get in the way  
[TINCHY]  
yo, i aint never gunna let nothing get in the way  
you play your cards all right youre on As  
you make my nights so bright youre my days  
you took me out of the maze  
you are number one  
[CHORUS][DAPPY]  
see i dont understand how youre number one  
when it was just a fling before now, youre the one  
see all i did was blink twice from my homie to my only  
number one  
you lift me off the ground  
i always want you around  
i aint gunna let nothing get in the way  
ill never let nothing get in the way  
you lift me off the ground  
i always want you around  
i aint gunna let nothing get in the way  
ill never let nothing get in the way  
[OUTRO][TINCHY]  
youre number one youre in the race youre a leader  
girl youre out of this world i cant see ya  
and now you got a place in my heart  
its funny how you actually went  
from my home to my only  
number one
