

# N\*E\*R\*D\*, Baby doll

Yeah, huh huh x4  
I feel so stupid saying this  
but, uh  
I kinda like you  
Girl you dont know what you are  
You are my baby doll  
You are my compass star  
You drive me up the wall  
Girl you dont know what you mean  
You are my everything  
You are my alien  
From S-p-a-c-e

Chorus

3x

Wait!

Please dont go

Wait

I just met you

Girl I feel just like a bird

Though I am just a nerd

I could fly around this world

With power from this word

We'll bring the desert rain clouds

Fuck reality and doubt

We'll they'll be vultures I see

They'll chase me

Girl I'm flying with thee

Roses are red

Yellow and white

Where have you been all my life

Violets are blue

And I'll be too

If you leave

Cause I just met you

Repeat Chorus

You're my pop rocks

You're my cotton candy

When the beach is hot and sandy

You're my water

You're my morning shower

Subconscious melody

You're my LSD

Someones perfect daughter

3x

Roses are red

Yellow and white

Where have you been all my life

Violets are blue

And I'll be too

If you leave

Cause I just met you

4x

I'm Sorry

But I got to

Got to go

I gotta go

I just met you
