

# N\*E\*R\*D\*, Breakout

[Verse - Pharrell Williams]

It just happened, so what  
But they're all laughing, wassup  
Why the tears? have no fear  
We are here for you

But I know how you feel  
I know how you feel when no one cares

[Pre-Chorus - Pharrell & (Shae)]

If you feel just like I feel (push people)  
Everythings plastic, nothings real (push people)  
Fuck your lover face, not steal (push people)  
We're just dancing, no big deal (push people)  
Hey just let the bullshit pass (push people)  
Or we'll skateboard your ass (push people)  
Got more bombs, more wheels (push people)  
We're just dancing, no big deal (push people)

[Chorus - Pharrell & (Shae)]

Breakout (push people) breakout  
Breakout (push people) breakout  
Breakout (push people) breakout  
Breakout (push people) breakout  
Breakout (push people) breakout  
Breakout (push people) breakout  
(Push people) break awayyyyy (push people)

[Verse - Pharrell Williams]

All you can be is just you  
Cause you're real, not the plastic type  
But reality sets in this dark and this plastic life  
Why the tears? we're all here for you

But I know how you feel  
I know how you feel and I do care

[Pre-Chorus]

[Chorus]

[Bridge - Pharrell]

Hey (shit happens) hey (just blow it off) (WHOOOOO!!!!)  
Man, well don't it make ya feel GREEAATTTT yeah, GREEAATTTT yeah  
(WHOOOOO!!!!) Hey! (shit happens) uh huh (just blow it off) (WHOOOOO!!!!)  
Yeah, well don't it make ya feel GREEAATTTT yeah, GREEAATTTT yeah  
(WHOOOOO!!!!) .. just as long as we got the same thing in our veins  
You and I, we are both the same  
I'll bail you out, show you what you seek  
One love, N.E.R.D, peace
