

# N.E.R.D., Don't Don't Do It! (ft. Kendrick Lamar)

It makes no difference in this life  
up and ups just fine  
gonna up and up this life  
til we go down on our luck  
uit makes no difference in this life  
up and ups just fine

gonna up and this life  
till the lift gets suck  
lifting up /3x  
coming down /3x  
wake them up /2x  
to the sound

they tell you pull over  
tell you get out the car

don't do it /12 x

we're coming home  
waiting for the kids  
school bus to arrive
