

N*E*R*D*, Don't worry about it

[Intro - Pharrell]

It's her dark skin..

It's your juicy lips girl, ah-ahhh

[Chorus]

She's bad bad, bad ass (uh)

She's bad bad, bad ass

She's bad bad, bad ass (you're so dark girl)

She's bad bad, bad ass

[Pharrell]

I've been all around the Earth

There no girls that kiss me first

But you just stand there with a smirk

But don't you worry about it, ahh - OWW!!

.. So BABY!! Don't fool wit me

If you don't wanna give it up

Don't worry about it

BABY!! Don't fool wit me

If you don't wanna give it up

Don't worry about it

I just wanna feel your (uhh)

You just wanna feel my (uhh)

We should just go feel our (uhh)

Imagine.. but fuck it don't worry about it

OWW!! BABY! Don't fool wit me

If you don't wanna give it up

Don't worry about it (worry about it)

BABY!!! Don't fool wit me

If you don't wanna give it up

Don't worry about it (worry about it)

Baby look at your girl starin at me

And her girl, in the next seat

They want a menage three, don't worry about it

OWW!! I said BABY!! Don't fool wit me

If you don't wanna give it up

Don't worry about it (worry about it)

Chocolate flower.. uh (worry about it)

See, I know I got them other girls

But I wanna learn from youuuu

There's a war going on outside no man is safe from

And I'm not trying to loosesee, I need you

They say, damn Pharrell! you have a cold heart, will you move?

So when it comes to a girl like you, that moves me

What am I supposed to do? .. but admit it

You're you're you're bad ass

You're you're, c'mon sing it wit me

[Chorus]

She's bad bad, bad ass (uh)

She's bad bad, bad ass (girl you know you just a)

She's bad bad, bad ass (uh)

She's bad bad, bad ass (just)

She's bad bad, bad ass (I said she's)

She's bad bad, bad ass (she's!)

She's bad bad, bad ass (she)

She's bad bad, bad ass (she)

[Outro - Pharrell]

Don't worry about it..

Don't worry about it
