

'N Sync, Girlfrend

Would you be my girlfriend?
Would you be my girlfriend?
Would you be my girlfriend?
I like you, right
Would you be my girlfriend?
I don't know why you care
He doesn't even know your name, no
'Cause he don't love your eyes
And he don't love your smile
Girl you know that ain't fair
Middle of the night
Is he gonna be by your side
Or will he run and hide?
You don't know
'Cause things ain't clear
And baby when you cry
Is he gonna stand by your side?
Does your man even
Know you're alive?
I got an idea
[CHORUS:]
Would you be my girlfriend?
I'd treat you good
I know you hear your friend
When they say you should
'Cause if you were my girlfriend
I'd be your shining star
The one to show you
Where you are
Girl you should be
My girlfriend
Does he know what you feel?
Are you sure that it's real?
Does he ease your mind
Or does he fake your stride?
Did you know that
Love could be a sheild?
Middle of the night
Is he gonna be by your side
Or will he run and hide?
You don't know
'Cause things ain't clear
And baby when you cry
Is he gonna stand by your side?
Does your man even
Know you're alive?
I got an idea
[Repeat chorus]
Ah, ah, ah, ah
Ever since I saw your face
Nothing in my life has been the same
I walk around just saying your name
Without my world would end, yeah
Look around this old damn place
And everything's as
If you were meant to be
My girlfriend
[Repeat chorus]
Ah, ah, ah, ah
You should be
My girlfriend
Girl you should be
My girlfriend
Girl you should be

My girlfriend
Girl you should be
My girlfriend
Girl you should be
My girlfriend
