'N Sync, Girlfriend

Would you be my Girlfriend? Would you be my Girlfriend? Would you be my Girlfriend? I like you, right... Would you be my Girlfriend?

I don't know why you care
He doesn't even know you're there
Cause he don't love your eyes
And he don't love your smile
Girl you know that ain't fair

In the middle of the night
Is he going to be by your side
Or will he run and hide
You don't know cuz things ain't clear
And baby when you cry
Is he gonna stand by your side
Does the man even know you're alive
I got an idea

CHORUS:

Why don't you be my girlfriend I'll treat you good I know you hear your friends when they say You should Cuz if you were my girlfriend I'd be your shining star The one who'll show you where you are Girl you should be my girlfriend

Does he know what you feel Are you sure that it's real Does he ease your mind Or does he break your stride Did you know that love could be a shield

In the middle of the night CORRECTION
Is he going to be BY your side-----Or will he run and hide
You don't know cuz things ain't clear
And baby when you cry
Is he gonna stand by your side
Does the man even know you're alive
I got an idea

CHORUS

Ever since I saw your face Nothing in my life has been the same I'll walk around just saying your name Without you, my world would end, yeah I've looked around this whole, damn place And everything says you were meant to be My girlfriend, oh

CHORUS

Girl you should be My girlfriend My girlfriend
