

'N Sync, Here we go

Here we go one
more time
Everybody's feeling fine
Here we go now
Yes yes yes here we go
'N SYNC has got the flow
Bounce you're head to the beat
We've got everything you need
Here we go now
Yes yes yes here we go
'N SYNC has got the flow
Here we go just one more time
And everybody is feeling fine
Here we go now
Here we go, yeah
If you want to party with us
Just feel free and feel the rhythm
Here we go now
Here we go
You know the party's here
Sing - a - long and have no fear
'N SYNC is here to make you people scream
Now the the time for us to reunite
Come on party people
There's a party going on tonight
Tonight is the night
Everything is going to be alright
Just get up, feel the flow
And here we go
CHORUS
Lets sing it one more time
Everybody's feeling fine
We got the skills
To keep this party pumpin' baby
Keep dancin' all night long
Until the break of dawn
Come on party people
There's a party going on tonight
Tonight is the night
Everything is gonna be alright
Just get up, feel the flow
And here we go
