

'N Sync, I Just Wanna Be With You

I just wanna be with you, girl that's all I wanna do
Girl your turning me on, you're such a fine lady,
And sugar more and more, you're driving me crazy
Because you're just what I want, and I'm just what you need,
Gonna make you my baby;
Sweet darling all I can see, is you and me.

I wanna drown in your love, lead me to your water
Let it flow, just let it flow baby;
My love is insane, pleasure and pain,
It's part of life, so live it up baby;
If you're scared of love, don't be afraid,
Because girl I'm scared too, but I gotta have you
Gonna love you day and night, yes I'll treat you right!

You and me let's stay together, we'll be together, say it
nah - nah - nah - nah - nah - nah - nah
