

'N Sync, I'll Be Good For You

Oohoohoohooh oohahh oohooh
You know I'll be good for ya baby

Ooh
Yeah, ohhh
Chicka-ahh

I'll be good for you
I ain't gonna take my love away
And I will love you more girl everyday
I'll be good for you (yeah)
My baby girl it's plain to see
That our love was meant to be

I know your heart's anticipating
And my love is on your mind
Well don't you worry I won't keep you waiting
Cause I ain't never seen a lady so fine, yeah

I know you want me too
It's in your eyes they say you do
They're telling me you'll open your heart to me, yeah
Cause if you want me to
I'll sacrifice my world for you
And show you the way love's supposed to be, yeah

I'll be good for you (oh baby)
I ain't gonna take my love away
And I will love you more girl everyday
I'll be good for you (ooh)
My baby girl it's plain to see
That our love was meant to be

Now I know you think I must be fakin'
I've promised all these things right from the start
So don't you rush into decision making (rush rush)
Cause I just wrote this song to tell you my heart, ooh

I wanna be with you
And girl there's nothing I won't do
To make you see that this is where you should be
Cause baby we can do
Anything you wanna do
Girl I wanna be a part of your fantasy

I'll be good for you
I ain't gonna take my love away
And I will love you more girl everyday
I'll be good for you (so good)
My baby girl it's plain to see
That our love was meant to be, yeah

Ooh ooh yeah, yeah yeah yeah
You know I'll be good for ya baby

I can be
Good for you
Tell me what you want to do (what you want)
Baby girl, it's plain to see
That our love was meant to be

Oh!

I'll be good for you

I can be
Good for you
Tell me what you want to do (oh yeah)
Baby girl it's plain to see (so good so good)
That our love was meant to be

I'll be good for you
I can be
Good for you
Tell me what you want to do (so tell me what you want to do)
Baby girl, it's plain to see
That our love was meant to be (open up your heart to me)

I'll be good for you
I can be
Good for you
Tell me what you want to do (cuz I know, I know)
Baby girl, it's plain to see
That our love was meant to be (the way love is supposed to be. yeah)

I'll be good for you
I can be
Good for you (I can be good for you baby, I can be good for you baby)
Tell me what you want to do
Baby girl, it's plain to see
That our love was meant to be

I'll be good for you
I ain't gonna take my love away
And I will love you more girl everyday
I'll be good for you
My baby girl it's plain to see
That our love was meant to be
