

'N Sync, I Never Knew The Meaning Of Christmas

Fa la la Fa la la Fa la la la la la

Lookin back on childhood days
I can't believe my foolish ways
Thought that Christmas only came from the stores
And to know what was there for me,
Underneath the Christmas tree
Didn't know that there could be so much more
But in all of the rush
I was missin so much
Girl, you make me finally see

Chorus:

I never knew the meaning of Christmas
Till you came into my life
I was lost in the dark
Till you opened my heart
Like an angel shining bright
I wished on a star
And girl here you are
Suddenly I realize
That I never knew the meaning of Christmas
Until I looked into your eyes

Comin home for the Holidays
Seein friends from around the way
There was always something missin for me
On a sleigh ride caroling
Did it really mean anything?
Without that someone who can make it complete
While the snow's fallin down,
There was joy all around
Cuz girl, your love has shown me the way

Chorus

Fa la la Fa la la Fa la la la la la
Singin la la la la la la la la la la la la
Fa la la Fa la la Fa la la la la la
Singin la la la la la la la la la la la la
But in all of the rush
I was missin so much
Girl you make me finally see

Chorus

That I never knew the meaning of Christmas
Till I looked into your eyes
