

'N Sync, It's gonna be me

You've might been hurt babe
That ain't no lie
But you've seen them all come and go, whoa
I remember you told me
That it made you believe in no man, no cry
Maybe that's why
Every little thing I do
Never seems enough for you
And you don't want lose it again
But I'm not like them
Baby when you finally
Get to love somebody
Guess what?
It's gonna be me
You got no choice babe but to move on
And you know there ain't no time to waste
The future's too bright to see
But in the end you know it's gonna be me
And you can't deny
So just tell me why
Every little thing I do
Never seems enough for you
And you don't want lose it again
But I'm not like them
Baby when you finally
Get to love somebody
Guess what?
It's gonna be me
(It's gonna be me)
Ooh yeah
There comes a day
When I'll be the one you see
It's gonna be me
All that I do
Is not enough for you
I don't wanna lose it
But I'm not like that
When finally you get to love
Guess what?
Every little thing I do
Never seems enough for you
And you don't want lose it again
But I'm not like them
Baby when you finally
Get to love somebody
Guess what?
It's gonna be me
