

# 'N Sync, Space Cowboy

Riprock,AG  
Come in, over  
Yo, turn me up  
I wanna be heard  
See I'm talkin' about the future ya'll  
And the future looks bright  
'specially when we rip it in half

Here it comes (Millennium)  
And everybody's talkin 'bout Jerusalem  
Is this the beginning or beginning of the end  
Well, I've got other thoughts my friend

See I've got my eyes on the skies  
The heavenly bodies up high  
And if you're in the mood to take a ride  
The strap on a suit and get inside

Chorus

If you wanna fly, come and take a ride  
Take a space ride with the cowboy, baby  
If you wanna fly, come and take a ride  
Take a space ride with the cowboy, baby  
Why-yi-yi-yippie-yi-yay-yippie-yi-yo-yippie-yi-yay  
Whi-yi-yi-yippie-yi-yay-yippie-yi-yo-yippie-yi-yo

We don't need all these prophecies  
Tellin' us what's a sign, what's a sign  
'Cause paranoia ain't the way to live your life from day to day  
So leave your doubts and fears behind

Don't be afraid at all  
'Cause up in outer space there's no gravity to fall  
Put your mind and body to the test  
'Cause up in outer space it's like the wild wild west

Chorus-repeat

Boom and never let you try and stop me  
Born to fly sky high, up to the top see  
Nothing to fear, no doubts and no tears  
Millennium sound to motivate the future years  
And you can either be scared or get prepared  
Against all odds I bet you never would've dared  
To make these moves and take a flight like me  
To come through for the world prophecy  
Space connect to overthrow your interception,  
Ready or not, make it hot  
That ain't no question  
Get \*NSYNC and put your head to the sky  
Keep the faith  
One love from Left Eye (Left Eye)

Chorus-repeat

Riprock, Ag end of transmission  
They've had enough
