

'N Sync, Space Cowboy

Riprock,AG

Come in, over

Yo, turn me up

I wanna be heard

See I'm talkin' about the future ya'll

And the future looks bright

'specially when we rip it in half

Here it comes (Millennium)

And everybody's talkin 'bout Jerusalem

Is this the beginning or beginning of the end

Well, I've got other thoughts my friend

See I've got my eyes on the skies

The heavenly bodies up high

And if you're in the mood to take a ride

The strap on a suit and get inside

Chorus

If you wanna fly, come and take a ride

Take a space ride with the cowboy, baby

If you wanna fly, come and take a ride

Take a space ride with the cowboy, baby

Why-yi-yi-yippie-yi-yay-yippie-yi-yo-yippie-yi-yay

Whi-yi-yi-yippie-yi-yay-yippie-yi-yo-yippie-yi-yo

We don't need all these prophecies

Tellin' us what's a sign, what's a sign

'Cause paranoia ain't the way to live your life from day to day

So leave your doubts and fears behind

Don't be afraid at all

'Cause up in outer space there's no gravity to fall

Put your mind and body to the test

'Cause up in outer space it's like the wild wild west

Chorus-repeat

Boom and never let you try and stop me

Born to fly sky high, up to the top see

Nothing to fear, no doubts and no tears

Millennium sound to motivate the future years

And you can either be scared or get prepared

Against all odds I bet you never would've dared

To make these moves and take a flight like me

To come through for the world prophecy

Space connect to overthrow your interception,

Ready or not, make it hot

That ain't no question

Get *NSYNC and put your head to the sky

Keep the faith

One love from Left Eye (Left Eye)

Chorus-repeat

Riprock, Ag end of transmission

They've had enough
