

# 'N Sync, That's When I'll Stop Loving You

When winter comes in summer  
When there's no more forever (yeah yeah)  
That's when I'll stop loving you (that's when I'll stop loving you)

That's when I'll stop loving you

I'm sure you've heard these words before  
And I know it's hard for you to trust them once more  
You're afraid it all might end  
And a broken heart is scared of breakin' again

But you've gotta believe me  
I'm never leavin'  
You'll never cry long as I am there  
And I will always be there  
You will never be without love

When winter comes in summer  
When there's no more forever  
When lies become the truth  
Oh you know then, baby  
That's when I'll stop loving  
That's when I'll stop loving you

That's when I'll stop loving you, yeah

Long as sunlight lights the sky  
The light of love will be  
Found in these eyes of mine (these eyes of mine)  
And I will shine that light for you  
You're the only one  
I'll ever give this heart to

What I'm trying to say is (to say)  
Nothing will change this  
There'll be no time you won't find me there  
Cause I will always be there  
You will always have all my love

When winter comes in summer  
When there's no more forever  
When lies become the truth  
Well you know then, baby  
That's when I'll stop loving  
That's when I'll stop loving you

That's when I'll stop loving you

When this world doesn't turn anymore  
When the stars all decide to stop shining  
Till then I'm gonna be by your side  
I'm gonna be loving you forever  
Every day of my life.. baby  
Oh yeah yeah

Well you know then baby  
That's when I'll stop loving  
That's when I'll stop loving..

That's when I'll stop loving you  
When winter comes in summer  
When there's no more forever  
When lies become the truth (lies become the truth yeah)  
Well you know then, baby

That's when I'll stop loving (that's when I'll stop loving)  
That's when I'll stop loving you

When winter comes in summer  
When there's no more forever  
When lies become the truth  
(Well you know then, baby)  
That's when I'll stop loving (that's when I'll stop babe)  
That's when I'll stop loving you

That's when I stop baby  
I'll stop babe  
Lovin you
