

'N Sync, This I Promise You

When the visions around you
Bring tears to your eyes
And all that surrounds you
Are secrets and lies

I'll be your strength
I'll give you hope
Keeping your faith when its gone
The one you should call
was standing here all along

And I will take you in my arms
And hold you right where you belong
'Til the day my life is through
This I promise you
This I promise you

I've loved you forever
In lifetimes before
And I promise you never
Will you hurt anymore
I give you my word
I give you my heart
This is a battle we won
And with this vow
forever has now begun

Just close your eyes
Each loving day
And know this feeling wont go away
Till the day my life is through
This I promise you
This I promise you

Over and Over I fall
When I hear you call
Without you in my life, baby
I just wouldn't be living at all

And I will take you in my arms
And hold you right where you belong
Til the day my life is through
This I promise you

Just close your eyes
Each loving day
And know this feeling won't go away

Every word I say is true
This I promise you
Everyword I say is true
This I promise you
Ooh, I promise you
