

# 'N Sync, This I Promise You

When the visions around you  
Bring tears to your eyes  
And all that surrounds you  
Are secrets and lies

I'll be your strength  
I'll give you hope  
Keeping your faith when its gone  
The one you should call  
was standing here all along

And I will take you in my arms  
And hold you right where you belong  
'Til the day my life is through  
This I promise you  
This I promise you

I've loved you forever  
In lifetimes before  
And I promise you never  
Will you hurt anymore  
I give you my word  
I give you my heart  
This is a battle we won  
And with this vow  
forever has now begun

Just close your eyes  
Each loving day  
And know this feeling wont go away  
Till the day my life is through  
This I promise you  
This I promise you

Over and Over I fall  
When I hear you call  
Without you in my life, baby  
I just wouldn't be living at all

And I will take you in my arms  
And hold you right where you belong  
Til the day my life is through  
This I promise you

Just close your eyes  
Each loving day  
And know this feeling won't go away

Every word I say is true  
This I promise you  
Everyword I say is true  
This I promise you  
Ooh, I promise you
