

# 'N Sync, This Is Where The Party's At

Yeah

This is where the party's at  
(This is where the party's at)

Come on babe

This is where the party's at  
(This is where the party's at)

This is where the party's at!

Monday morning, to Friday afternoon  
Stressing you out, but tonight  
the weekend comes around  
And it's time to breakdown

Everyone needs some time  
Time to get away  
Baby come free you mind  
Free your mind and free your soul  
This is your night to shine  
If you wanna play  
Baby it's okay, it's okay to loose control now

If you wanna groove now  
This is where the party's at  
Gotta make your move now  
This is where the party's at  
Everybody's getting in the zone  
This is where the party's at  
Everybody, come on  
This is where the party's at

Don't let them make you  
Forget you're problems, forget all your fears  
Whatever you wish, your secret fantasy  
We'll take you there  
Follow your way inside, so that I can see  
Dance like just don't care  
Raise your hands and raise the roof  
Everyone to try it's all good with me, it's all go with me  
There ain't nothing you can do now

If you wanna groove now  
This is where the party's at  
Gotta make your move now  
This is where the party's at  
Everybody's getting in the zone  
This is where the party's at  
Everybody, come on  
This is where the party's at

Everything that you've been missing  
in your life  
You can find inside the zone  
And that's all the really matters tonight  
So everybody all night long

Jam,jam,jam,jam,jam,jam

Come on now  
Pump it up, to the left  
Pump it up, now to the right  
Pump it up, everybody  
Pump it up, uh come on  
Pump it up, pump it up  
Pump it up, let me see ya

Pump it up, here we go

If you wanna groove now  
This is where the party's at  
Gotta make your move now  
This is where the party's at  
Everybody's getting in the zone  
This is where the party's at  
Everybody, come on  
This is where the party's at x3

This is where the party's aaaat
