CHORUS

You drive me crazy
Why are you messing with my mind
You drive me crazy
Why are you telling all these lies
You drive me crazy
Stop doing all these things to me
You drive me crazy
'cus all I want is to be free

I'm feeling weak
I cannot sleep
My head is burning
I feel cold down to my feet
I wanna yell
somebody help
Is there a cure
For what I got
Somebody tell me
I need your lovin' face
Need your sweet embrace
'cus you are my only medicine

CHORUS

You're on my mind
I'm so uptight
I feel sensation
in my head down to my spine
Goin' insane
can't stand the pain
is my condition permanent
somebody tell me
I need your lovin' face
I need your sweet embrace
'cus you are my only medicine

CHORUS

24/7 you are on my mind
I'm goin' crazy
You are the cure and you know
but you don't care
Girl you're driving me insane

Say

Can say what you want to
Do what you want to
As long as you love me girl
I won't front you
You're the sweetest thang
Lemme be your man
lemme hold your hand
or let me be your friend
Meanwhile, I'll set da house up on a hill
Girl as you know its all about da dollar bill
Girl I'll treat you like a queen, like a lady
Check out ya code
You drive me crazy
end

You're always on my mind (always on my mind)
I need you all the time

so come and get with me
'cus darlin' you're the one I need (you're the one I need)
some one to hold me tight
'cus I can't sleep at night (I can't sleep at night)
You are my fantasy
Girl you drive me crazy
