

# Na Leo Pilimehana, Local Boys

Blue eyes and blondey don't thrill me  
'Cause I'm in love with the local boys  
Don't try to convince me  
Because the local boys aloha oi'  
It doesn't matter what island  
In the mountains or an endless sea  
If I want someone special  
The local boys are the one for me

You may say I'm crazy but I'm right  
The local boys will keep you warm  
Throughout the coldest night  
So if you go with the islands  
See the wahine on the street  
Where my eyes never wondered  
Because the local boys can't be beat

~\*~\*~

oOo O boys  
da da da da dum local boys

You may say I'm crazy but I'm right  
The local boys will keep you warm  
Throughout the coldest nights

(repeat ~\*~\*~)

(sing this slower)

Blue eyes and blondey don't thrill me  
'Cause I'm in love with the local boys  
Don't try to convince me  
The local boys aloha oi'
