

# Na'Shay, Smile

Whatever  
smile, smile, smile, smile

(Verse 1)

Somethin bout the way  
that you look at me  
tell me, i gotta know  
what it is you see  
i'm wonderin could it be  
that you feel the same  
do you get butterflies at the mention of my name

(Bridge)

If you don't  
well i do  
i get this feeling when you near me  
what is it about you  
it's got me trippin  
so you don't hear me  
you say that it's mutual  
do you feel me  
yes, no, maybe  
this is more than a crush  
i think it's serious

(Chorus)

What is it that you do  
that's got me into you  
boy you make me  
smile, smile, smile, smile  
whatever could it be  
that's got me this way  
boy you make me  
smile, smile, smile, smile

(Verse 2)

Somethin bout the way  
that you talk to me  
don't know, can't explain  
what you do to me  
i find myself in a daze  
when i think of you  
though you may deny  
somethin says you feel it to

(Chorus)

(what could it be)  
what could it be  
(are you feelin me)  
are you feelin me  
(am i worth your while)  
am i worth your while  
boy you make me smile

(Chorus til fade)
