Nadia Ali, Give It Up

Sweet september, where'd you go I was hoping someone knows Have you missed me Was I there I was dreaming someone cared Now hear me out I was the one I waited for you To get what is due I want it from you So will you give it up I want you to move Can you feel the love I could haunt you, listen clear Remember my voice In you ears In your bedroom In your car In the movies In your heart So feel me out, 'cause I'm still the one I gave it to you And still know how to I won't let you forget my name I am part of the bigger game I can load it in your mind I won't ever fade in time Have you heard me now 'Cause I'll be the one I'll take it from you However you choose
