

# Naked Eyes, Voices In My Head

Voices In My Head

I don't know why I'm feeling lost  
It's only love  
I give you everything I've got  
It's not enough

Shutting my eyes I find  
Opening up my mind  
What is this sound I'm hearing

Voices in my head  
Telling me beware  
Voices in my head  
Everywhere

Whenever we're together  
It breaks my heart  
I've got a fantasy, of which  
You are a part

Shutting my eyes I find  
Opening up my mind  
What is this sound I'm hearing

Voices in my head  
Telling me beware  
Voices in my head  
Everywhere
