

Name, Hand Me Down

OK!

OK!

But I hump you
But I, but I hump...

Take you dirty clothes off, and toss 'em in the hamper
Do it kinda slow, so I can drool and have a gander
Peek a boo, boo a peek
Ridah' stank, you so damn sweet
Creep on you, you will freak
I'm gonna make my fingers bleed

Met my baby on a rooftop, took her to the candy shop, took off all her hand me downs
Hoochie really aught to blow me, but not in a wrong way, cuz she really know me

When we do our dirty deeds, we do it with some fun, and...
All I wanna do is see you cum, hear you cummin'
Take it slow, take it fast, we just gonna have a blast
Do the math, we a match, that is why it's gonna last

Met my baby on a rooftop, took her to the candy shop, took off all her hand me downs
Hoochie really aught to blow me, but not in a wrong way, cuz she really know me

The opportune moment has finally made its way
I will taste the sugar walls till your rainbow hits the sky

Hits the sky!

Met my baby on a rooftop, took her to the candy shop, took off all her hand me downs
Hoochie really aught to blow me, but not in a wrong way, cuz she really know me

Met my baby on a rooftop, took her to the candy shop, took off all her hand me downs
Hoochie really aught to blow me, but not in a wrong way, cuz she really know me
