

# Nana, G.O.D.

The Lord is my shepherd, I have everything I need, He lets me wrest in fields of Green grass and leads me to quiet pools of fresh water He gives me new strength He guides me in the right path as he has promised Even if I go through the deepest darkness I will not be afraid Lord, for you are with me The shepherds ride and stare protect me You prepared backwards for me so all my enemies can see me You welcome me as an honored guest and feel my comfortable grief I know that your goodness will be with me all my life And your house will be my home as long as I live Amen

G.O.D. You're the one I need

G.O.D. Come and rescue me

I stopped working for a second and thought about my life Nowhere to either run

or to hide G.O.D. the inventor creator You changed my life into a dream and

I can testify So much pain so much sorrow There's a life after death like today

and tomorrow I feel stupid don't know what to say I thank you G.O.D. in more

than a thousand ways Let's pray our father in heaven each and every day we

praise receive your blessings We ask for peace and no more war Uprise my Lord

and cure the sick, lonely, the humble, the poor Peace out to those daily waiting for my

fall Your goodness and love will be with me all my life Your house will be my home lord help me to

G.O.D. You're the one I need

G.O.D. Come and rescue me

You provided me with strength I was lost humble and weak Realize where I stand lord I

can't speak Now shot like a rocket in the business with full speed Yesterday I had to

suffer defeat Protect me from my foes how high can I reach You work in mysterious ways that's why

be my home lord help me to survive

G.O.D. You're the one I need

G.O.D. Come and rescue me

Yeah, that's life, I remember the lonely days, nobody there but the lord, believe in God

And he'll always show you the way - that's what I can say he opens doors and believe me

One day sunshine will come your way And in the name of Nana Abrokwa Peace God

Bless

Ho, ho, hoooo, yeah.
