

# Nana Mouskouri, All Over The World

( Trad. Arr. Joan Sakel / B. Blackburn )

1-

As I've looked around  
At the life I'm living  
More and more I found  
Life is for the giving  
Children know the way  
Loving and forgiving

Chorus

All over the world  
The children are singing  
All over the world  
You see them at play  
Why must we destroy  
The joy they are bringing  
All over the world  
Let love show the way

Chorus

2-

Then we were very young  
Love's a gift for sharing  
But as we grow up  
We forget the caring  
Why must we go on  
Distrusting and despairing

Chorus

3-

Innocent and free  
Hear the children's laughter  
Why can't people be  
Happy ever after  
Let this song of hope  
Ring from every rafter

Chorus

4-

There in Neverland  
See the children playing  
Walking hand in hand  
Innocent and playing  
Can't we understand  
A single word they're saying  
Chorus twice
