

Nana Mouskouri, Daydreams

"Yes, I've been dreaming about you everyday"
"Every day, each and every day"
And I've been thinking about you
"All night long, I even wrote a song"

Just to try and tell you how I really feel
To make you understand my love is real
That you're on my mind all the time
I wish to God you were mine once again

I remember talking to you
I remember walking with you
I remember laughing all the time
When you were mine

Now the day seems so long
I can't face the night alone
I beg you please
Won't you please come home

I remember talking to you
I remember walking with you
I remember laughing all the time
I remember singing to you
I remember dreaming with you
"I remember loving, you were mine"

And now the day seems so long
I can't face the night all alone
I beg you please
Won't you please come home
