

Nana Mouskouri, Hold Me, Thrill Me, Kiss Me

Hold me
Hold me
Never let me go until you've told me
Told me
What I want to know
And then just hold me
Hold me
Make me tell me I'm in love with you

Thrill me
Thrill me
Walk me down the lane where shadows will be
Will be
Hiding lovers just the same
As we'll be
We'll be
When you make me tell you I love you

They said
"Be sensible with your new love."
"Don't be fooled
"Thinkin' this is the best you'll find."
But they've never been in the dark
With you, love
When you take me in your arms
And drive me slowly outta my mind

Kiss me (kiss me)
Kiss me (kiss me)
And when you do
I know that you will miss me (miss me)
Miss me (miss me)
If we ever say we're through
So kiss me (kiss me)
Kiss me (kiss me)
Never, ever, ever let me go
(Kiss me)
Never, ever, ever let me go
(Kiss me)
Never, ever, ever let me go. . .
