

Nana Mouskouri, If You Could Believe In Me

1-

Like a wish tossed in a fountain
Roses in a desert plain
Only you could make it happen
If you could be near again

2-

Time is not the same without you
Days are not what used to be
Endless nights I fight the memories
Without morning it's hard to see

3-

Like a wish tossed in a fountain
Like a child who prays to be
Love can make you move a mountain
If you could believe in me

4-

Love will make you feel so lucky
Sail across the deep blue sea
And tonight if you could make it
Only love can set us free

5-

Repeat 1

6-

Love can make you move a mountain
If you could believe in me
