

Nana Mouskouri, Time In A Bottle

if I could save time in a bottle
the first thing that I'd like to do
is to save every day 'til eternity passes away
just to spend them with you
if I could make days last forever
if words could make wishes come true
I'd save every day like a treasure and then
again I would spend them with you

but there never seems to be enough time to do the
things you want once you find them
I've looked around enough to know that
you're the one I want to go through time with

if I had a box just for wishes
and dreams that had never come true
the box would be empty except for the memories
of how they were answered by you

but there never seems to be enough time to do the
things you want once you find them
I've looked around enough to know
that you're the one I want to go through time with
