

# Nana Mouskouri, Yesterday's Dreams

Yesterday' s dreams  
Like birds in the winter  
Have gathered together  
And flown to the sun  
Yesterday' s promises  
Like shells in the ocean  
All shattered and broken  
Like yesterday' s dreams

You are my harbour  
My dream of tomorrow  
My promise of sunshine  
My shield from the storm  
My sweet companion  
We' ll journey together  
And not be defeated  
By yesterday' s dreams

La la la la la  
La la la la la la  
La la la la la la  
La la la la la

Repeat first verse
