

Nanci Griffith, Once In A Very Blue Moon

I found your letter in my mailbox today
You were just checkin' if I was okay
And if I miss you, well, you know what they say ...

just once ... in a very blue moon
just once in a very blue moon
just once ... in a very blue moon
and I feel one comin' on soon
No need to tell me, you'd like to be friends
and help me get back on my feet again
If I miss you at all ... it's just now and then

just once ... in a very blue moon
just once in a very blue moon
just once ... in a very blue moon
and I feel one comin' on soon
There's a blue moon shinin'
when I am reminded of all we've been through
Such a blue moon ... shinin'
Does it ever shine down on you?
You act as if it never hurt you at all
Like I'm the only one who's gettin' up from a fall
Don't you remember?
Can't you recall?

just once ... in a very blue moon
just once in a very blue moon
just once ... in a very blue moon
and I feel one comin' on soon ... just once ... in a very
... blue moon
