

# Nanci Griffith, What's That I Hear

What is that sound ringing in my ears  
I've heard that sound before  
What's that I hear ringing in my ears  
I hear it more and more  
It's the sound of freedom calling  
Ringing up to the sky  
It's the sound of the old ways falling  
You can hear it if you try  
You can hear it if you try

What's that I see shining in my eyes  
I've seen that light before  
What's that I see shining in my eyes  
I see it more and more  
It's the light of freedom shining  
Shining up to the sky  
It's the light of the old ways falling  
You can see it if you try  
You can see it if you try

What's that I feel now beating in my heart  
I've felt that beat before  
What's that I feel beating in my heart  
I feel it more and more  
It's the rumble of freedom calling  
Climbing up to the sky  
It's the rumble of the old ways falling  
You can feel it if you try  
You can feel it if you try

It's the sound of freedom calling  
You can hear it if you try
