

Nanowar, King

Walking on the hill, with the crown of steel
Going to McDonald's to eat an happy meal

(Waiter:)
To eat an happy meal, to eat an happy meal
He's going to mac donald to eat an happy meal

He's the king,
King of the hill, of the happy meal
He's the king

Walking on the land, with the sword in hand
He gave the queen a lot of fun
(I think you understand)

(Queen:)
I think you understand, I think you understand
He's given me a lot of fun I think you... aaaaaaaaaaaaaahhh

He's the king
King of the hill of the happy meal
Of the queen of the (understand)
He's the king

Singing to the wind, the tale of the king
Of Luca Turilli all the elves and other epic things
Luca Turilli's bad, Luca Turilli's mad
But we don't want with singing this to make Turilli sad

He's the king
King of the hill of the happy meal
Of the queen of the (understand)
Of the wind of the epic things
He's the king

The story comes to an end, but don't worry my friend
Just push the "rewind" button, to listen it again
One more thing we must say, before you go away
We must warn you: Potowotominmak is gay

He's the king
King of the hill of the happy meal
Of the queen of the (understand)
Of the wind of the epic thigs
Of the say of the away of the rewind button
