

Napalm Death, Bled Dry

Sucked up eyesore
bleeding you dry.
Dragged down deep,
gut fuck breakdown.

Bled dry.

Take you and use you,
lose you I forget you.

Side on swallow,
licked but I can't taste;
spat out still whole,
it's nothing but waste.

Bled dry.

Take you and use you,
lose you I forget you.

Sweat, shake, die, now I want it all.
Pore deep blowout burst bite haul.

Take you and use you,
lose you I forget you
