

# Napalm Death, Cause And Effect (Pt. 2)

What are your motives,  
For your abuse,  
What can they be?  
Accused of things  
I've never done,  
This seems strange.

Your motivation, for my humiliation.

I'm pressurised,  
So many times  
By your presence,  
Your very existance  
Has become  
My obsession.

My infatuation with you damnation.

I experience  
Dangerous thoughts,  
That are all too real,  
How can one man  
Inflict in me  
So much hate.

My obsession with your destruction
