

# Napalm Death, Circle Of Hypocrisy

Talk of unity - a far cry from the slander and rivalry  
Why should we encourage what in fact is a circle of hypocrisy

Impulsive jealousy  
Where's the so-called harmony?  
Internally untrusting  
Externally inspiring

Assume your place above the rest  
The wisest of the less  
The knowledge you'll never possess  
Compensated for with single-mindedness

Bored with life you turn to test  
Battleground for pettiness  
Pick at flies to justify  
Temper's raised - You wonder why?

Why??

Supposedly Accessible  
Come support our scene  
Just another target  
Harassed to the extreme
