

# Napalm Death, The Missing Link

An integral sense  
Comes with belonging to a scene  
Supposedly absent of barriers  
(When sexism is only one of many)

Earnest words  
Calling for unity of the sexes  
When she's still the chick, or stupid bitch  
(Ridiculed for showing an interest).

Hidden indifference  
Strikes an emotion reaction  
When you see an animal being abused.

Yet un-noticed when a woman  
Is abused in the same way.

The links in oppression  
Stem from the same degradation  
But to one our eyes remain closed.

Actively abusing the rights of one  
Whilst fighting for those of another.

The 'scene' may hold a different name,  
But the roleplays just the same.  
Equal rights are fine,  
As long as she's in her place.

Outrightly denouncing fascism  
Whilst oblivious to it taking place,  
Is condemnation of standarts,  
All an act to save face.

Unity a stark ambition  
When out abuse surpasses recognition
